A warm welcome for Jumai

Whenever Jumai went out into his Nepali village, he would be cruelly mocked because of his ulcers, sore patches and swollen legs. Jumai was living with leprosy and couldn't afford to pay for ongoing treatment. Visiting the PWS&D-supported Shining Hospital changed everything. When Jumai was admitted, he was struck by something more than the timely service and quality medical care—the love and acceptance he felt was a welcome relief after years of shame and judgement. "I feel at home in this hospital," says Jumai. "I receive such good care." Filled with thanks for PWS&D, Jumai looks forward to a better future.
