Joke Corner

Why didn't they play cards on the Ark? Because Noah was always standing on the deck

Why did Noah have to punish and discipline the chickens on the Ark? They were using fowl language.

At Living Faith, we strive to limit the use of scents and peanut products so our church home is a welcoming and safe environment for those with allergies and sensitivities. We ask that nothing other than water be brought into our sanctuary.

Thank You

PWS&D Sunday

Inspired by God's promise of abundant life, PWS&D envisions a sustainable, compassionate and just world. February 3 is PWS&D Sunday—a day to celebrate the work our church is doing to make this vision a reality, empowering people out of poverty, hunger and oppression. Through programs in sustainable development and emergency relief, we are helping women, men and children get what they need to improve their well-being, recover from emergency situations and plan for futures abundant in the blessings of Christ. This work would not be possible without the faithful support of individuals and congregations across Canada, and our partners overseas. Today and every day, we give thanks for those striving for justice, mercy and peace throughout the world.
